OBJECTIVE

To begin my career in a reputed organization where I can apply my technical knowledge and gain practical experience.

EDUCATION

Bachelor of Engineering: Computer Science and Engineering, 04/2026

Prince Shri Venkateshwara Padmavathy Engineering College

CGPA up to 6th semester: 8.4/10.00

GPA: 8.5/10.00

HSC, Class XII

Score: 514/600 (85.7 %)

SSLC, Class X Score: All Pass

SKILLS

Java

Problem Solving

GD Round Score: 7

PROJECTS

Fishermen Border Alert System

Technologies Used: IoT, Embedded Systems, Sensors

Developed a smart border alert system to assist fishermen in identifying international maritime boundaries and prevent accidental border crossing. Integrated GPS and alert mechanisms to provide real-time boundary notifications and improve fishermen safety. Participated in the LEAP program conducted by Indian Institute of Technology Madras and worked collaboratively as a team leader during project development. Contributed to system design, coordination, and implementation of safety alert features.

Student Placement Management System

Technologies Used: Java, JDBC, MySQL

Developed a console-based placement management system to manage student records, company details, eligibility criteria, and placement status. Implemented CRUD operations and database connectivity using JDBC and MySQL for efficient data handling. Applied Object-Oriented Programming concepts and exception handling to improve system reliability and maintainability. Designed modules for student registration, company management, and placement tracking to reduce manual record maintenance.

EXTRA-CURRICULAR ACTIVITIES

Completed HDCA (Honours Diploma in Computer Application) in CSC at 2023. Participated Prefinal pitch of RUFA startup Cafe conducted by Centre Entrepreneurship Development (CED), Anna University, Chennai, on April 26, 2024.

POSITION OF RESPONSIBILITY

• Team Leader LEAP Project Fishermen Border Alert System

Served as Team Leader in the LEAP Project, coordinating team activities and ensuring project completion.
